

Rappahannock Area YMCA Swim Team (RAYS)

RAYS Merit Scholarship

APPLICATION PERIOD: November 1st to December 31st

We are excited to offer the RAYS Merit Scholarship. The RAYS Merit Scholarship is available to all RAYS athlete members of USA Swimming who are in good standing with the RAYS, and swim in Age Group 1, Junior, or Senior program groups. The intent of this scholarship is to encourage and recognize outstanding educational and athletic commitment and community involvement by individual RAYS swimmers.

Scholarship Purpose

The scholarship is for payment of program dues and meet fees. All scholarship funds will be applied as a credit directly to the swimmer's account.

Application Process

The RAYS Merit Scholarship is applied for and awarded annually depending on the availability of funds set aside by the Board of Directors each year for this scholarship. To remove any possible bias from the process, an application number will be assigned to each applicant. Members of the YMCA Board of Directors will choose the scholarship recipient without knowing the individual identity of any applicant.

Application requirements are as follows:

- The swimmer must provide most recent grades
- The swimmer must provide a list of all extracurricular activities and community involvement
- The swimmer must provide a written recommendation by a current teacher
- The swimmer must provide a written recommendation by their practice group coach, which includes a statement of the swimmer's attendance at practices and meets, for the current season
- The swimmer must provide a 1-2 page personal essay

Completed applications are due by December 31st. Once the application period is closed the applications will be processed by the RAYS and forwarded to the non-associated RAYS selection committee for selection of the recipient.

The RAYS Board President will notify the recipient. Other announcements may be made as determined by the Board of Directors, including, but not limited to posting on the RAYS website and Facebook page.

Current & Active Status Obligations by Scholarship Recipient

The scholarship recipient is expected to participate in weekly practice sessions and swim meets as outlined below. Inactive periods for longer than 1 week must be explained in writing to the Board of Directors. Inactivity for greater than 2 weeks, or unexplained inactive periods may be grounds for revoking the scholarship award as determined by the Board of Directors.

Swimmer must attend the following number of practices by group:

- Age Group 1: participate a minimum of 4 times a week
- Juniors/Seniors: participate a minimum of 5 times a week

In the event the swimmer will miss practice, the parent must inform the coach of the absence in writing and give the reason for missing.

Swimmers must attend a minimum of 1 swim meet per month (that a meet is available), which must include any meets specifically designated by the practice group or head coach, and any championship meets for which the swimmer qualifies.

Volunteer Obligation

The family of the scholarship recipient is required to complete volunteer requirements as stated in the contract. Failure to fulfill volunteer requirements will be grounds for revoking the scholarship award as determined by the Board of Directors.

Misconduct

Misconduct by the swimmer or parents, as defined by the RAYS Codes of Conduct, is grounds for loss of scholarship.
